

Douglas Wu Family Prayer Letter

01 Oct, 2011

Malachi 1:11 “My name will be great among the nations, from where the sun rises to where it sets. In every place incense and pure offerings will be brought to me, because my name will be great among the nations,” says the LORD Almighty.

Rev. John Gordy of Southern Baptist Church came to Pretoria Fu-qing Fellowship again in early September. They encouraged us not merely listen to the Word but do what It says. We hope that they will share the needs of South African Chinese ministries in China and the U.S.

As Chinese immigrants continue to pour into South Africa, we responded by going from town to town to share the Gospel of Jesus as He did in Judea. We also want to be like Apostle Paul erecting elders in various churches. There are more and more kinsmen from Fu-Jian province needing to be shepherded. Therefore, we are discipling and training local workers, such as Brothers Alex Ko, Alen Huang, and Charles Suen. In April they pledged to finish the “Character Building of God’s Laborers,” a 30-lesson course, by the end of this year. So far, they’ve finished 22 lessons. Each of the three brothers is unique in their own way, yet they live and serve together in unity. We are especially thankful, through prayer and God’s help, that Brother Charles quit smoking and wants to serve the Lord instead. Brother Alen works quietly and faithfully at church. He also ministers to students in the youth fellowship wholeheartedly. Even more admirable is Brother Alex who decided to serve the God with his wife despite suffering from unemployment!

Malachi 2:4-7 And you will know that I have sent you this warning so that my covenant with Levi may continue,” says the LORD Almighty. 5 “My covenant was with him, a covenant of life and peace, and I gave them to him; this called for reverence and he revered me and stood in awe of my name. 6 True instruction was in his mouth and nothing false was found on his lips. He walked with me in peace and uprightness, and turned many from sin. 7 “For the lips of a priest ought to preserve knowledge, because he is the messenger of the LORD Almighty and people seek instruction from his mouth.

Alex and Alen completed the studies of “Practical Bible Study Method.” They are given opportunities to preach, visit, and engage in prayer ministry. May the Holy Spirit strengthen them and use them as pillars of His church.

Douglas' right shoulder was injured from pulling suitcases while he visited Portugal this February. Not only is it not healed yet, it's getting worse. His right arm hurts terribly when exerting force. Soreness also persists throughout the night. Furthermore, he still suffers from remaining urticaria hives. These medical conditions burn him out.

The Wu family decided to move to next door, #52, on November 1st because their neighbor is offering the same rental price while theirs has gone up. Please pray that they'll have a smooth move.
