

Helen Wu

My most memorable event during the camp is the afternoon each groups got together and played games. I found it memorable because many of the games we played was fun and also I enjoyed working and having fun with my team mates. Even though there were minor arguments, we were still able to work as a team and support each other and have fun. From the games I learnt that that everyone in the group was important and with everyone has a trait that helps us, as a team, to get through each task that was given to us. It is really amazing to see how God uses every one of us to help people around us in different ways by giving us different talents and gifts. Ephesians 4: 12 for the perfecting of the saints, unto the work of ministering, unto the building up of the body of Christ:

我覺得最值得記念的事，是在營會期間下午每組聚集一起作遊戲。我記憶深刻的是因我們玩的遊戲都很有趣，我也喜愛和我的隊友同工，真的好好玩。雖然有小爭論，我們有仍能互相支援並且享受樂趣。而且從比賽中，我獲悉那每個人在組內都是重要的，我發現每個人都有一種特性去幫助別人，成為一個緊密的團隊，我們完成了每項任務。

看見上帝使用我們的每個人，幫助在我們周遭的人，透過給我們不同的才能和天賦，在不同的方式上真的是人驚奇的。以弗所書 4: 12 「為要成全聖徒、各盡其職、建立基督的身體。」……………吳才羽
